

## E-Z Systems Surgery Bed Stations

Give your wrists a rest. The raised platform provides a convenient hand rest during surgery while the patient is stabilized on the bed with sutures. This stainless steel surgery station allows for optimal lighting, suture tie downs, and adjustable magnifying glass in one compact design. It is compatible with all of our E-Z Anesthesia® electrically heated and non-heated plastic beds. Easy to clean.

### Surgery Stations Features:

- 304 Stainless steel construction
- 3 standard sizes
- Non-skid feet
- Built in hand rest
- Works with heated and non-heated beds
- LED light with 3 brightness levels
- 6X Magnifying glass
- Built in suture mounts
